THE OPPORTUNITY

Close the **knowledge gap** and the **capital gap** in one platform.

Across Africa, too many businesses fail not from lack of ambition but from avoidable mistakes and locked-out capital. FortuneGate bundles practical content with a transparent giveaway and a referral economy that pays in Naira.

ARTICLES IN LIBRARY

Across four content pillars.

3G

OPTIMISED

Designed for the network most users have.

THREE LIFE STAGES · ONE PLATFORM

From first hustle to retirement runway.

FortuneGate serves Nigerians 18–60 across three distinct life stages. Each segment gets the same library, but different content surfaces to the top of their feed.

18–25

Students & aspiring founders

Sensitive about health, dreaming of business. Need affordable wellness, structured guidance, and seed capital to get started.

HEALTH FIRST BUSINESS MENTORSHIP

26–45

Operators in their prime

Productive years. Already running businesses but blocked by capital. Need playbooks to scale and access to funds to expand stock and meet demand.

SCALE CAPITAL DISTRIBUTION

46–60

Retirement runway

Approaching the end of a career. Need cushion funds and practical advice to sustain quality of life after the salary stops.

CUSHION WELLNESS SECOND INCOME

WHAT'S INSIDE THE GATE

Four libraries. One subscription. Every entry is also a chance.

Each pillar is curated by operators who built in Nigeria first — not consultants importing playbooks that don't translate.

Business Tips

Cash flow, hiring, distribution. Tested playbooks for moving past the first ₦1M.

Growth Tips

How to scale once it's working — fundraising, brand, leadership. For post-PMF founders.

Health & Fitness

Affordable Nigerian-context wellness — meals, routines, mental clarity.

Life Hacks

Daily shortcuts — productivity, money, relationships. Short reads you'll use this week.

A public landing page that converts on its own.

WHAT SHIPS ON THE SITE

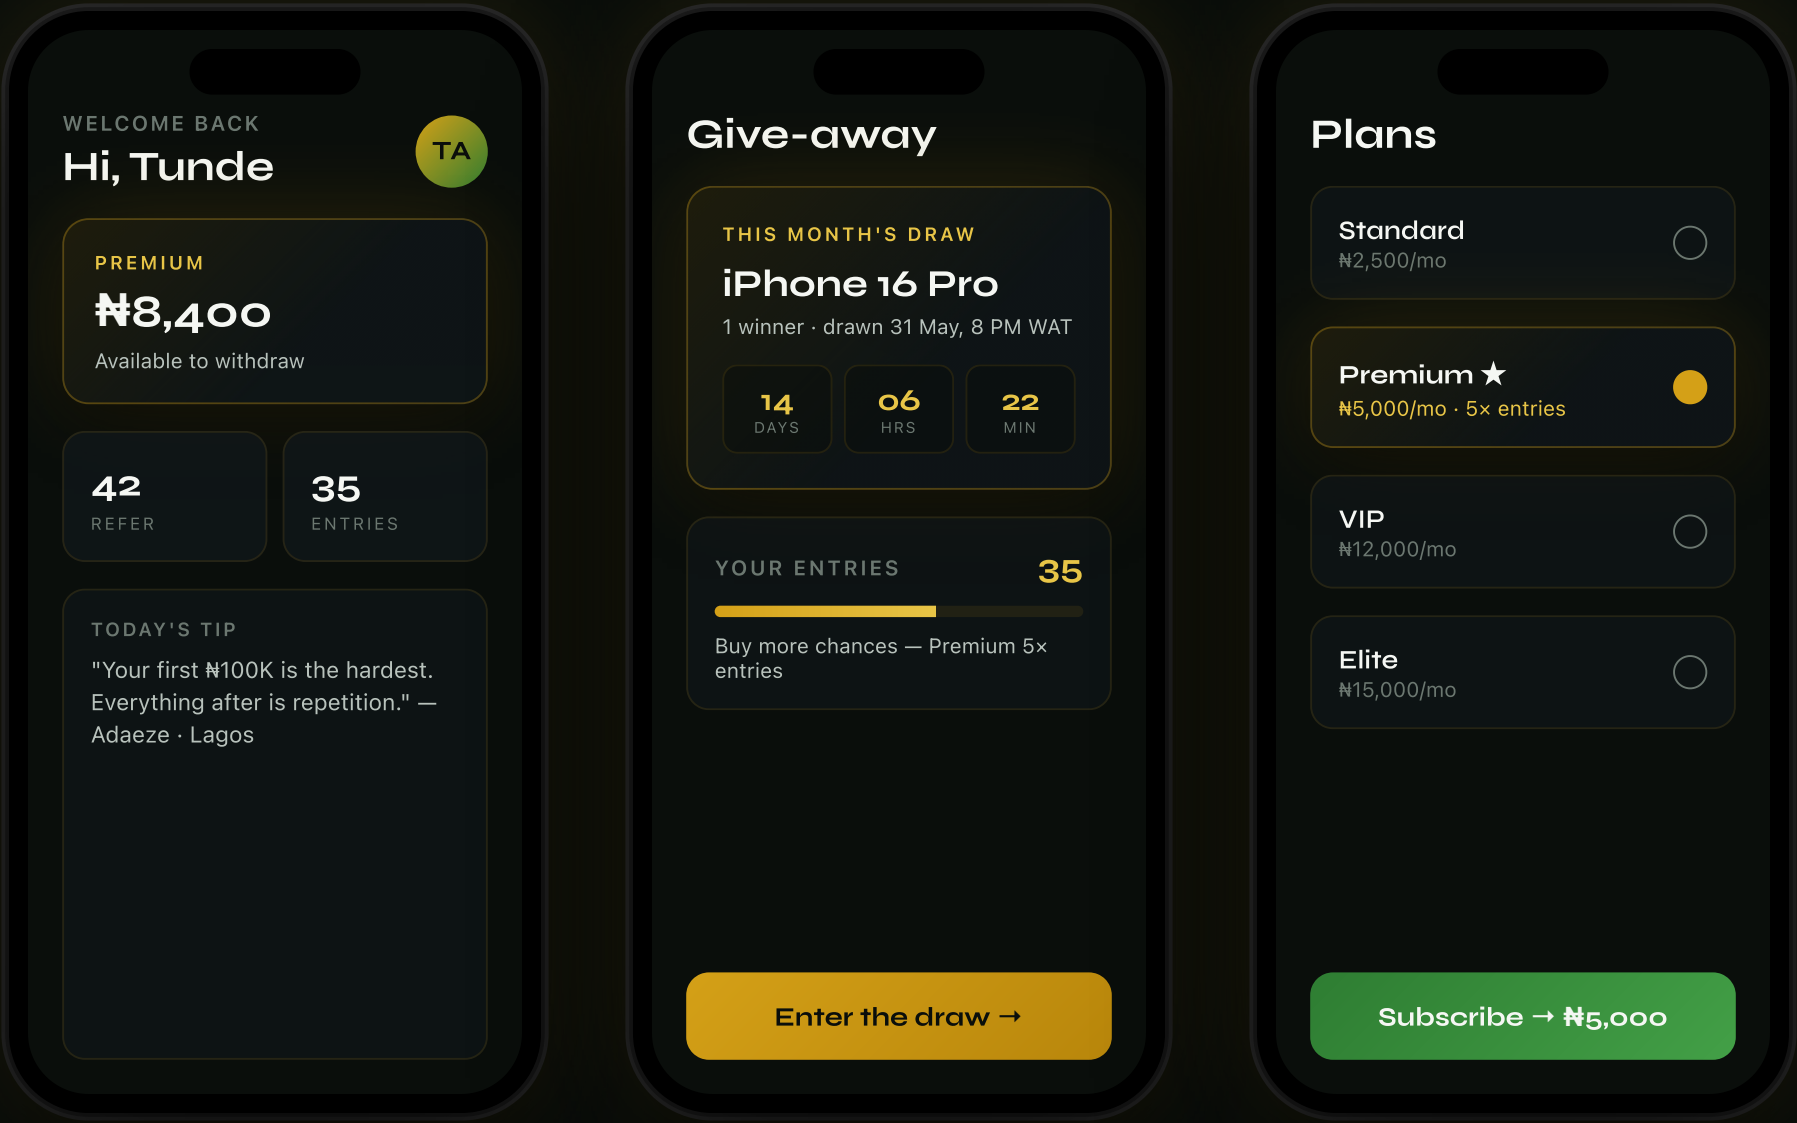

Five public surfaces.

- **Marketing homepage** — hero with live countdown, content categories, plans, referral band, winners, FAQ.
- **About** — mission, three audience segments, four pillars, roadmap, contact.
- **How To** — step-by-step for sign-up, payments, claim, referrals.
- **Claim Reward** — 3-step winner verification form.
- **Mobile app** — clickable iPhone prototype (20+ screens).

PHONE-FIRST, MOBILE-NATIVE

Built for the phone in your pocket.

A clickable iPhone prototype covering 20+ screens — auth, onboarding, feed, paywall, plans, dashboard, earn, give-away, and profile. Designed at 375 px, optimised for 3G.

GIVE-AWAY

PLANS & CHECKOUT

SUBSCRIPTION TIERS

Five tiers, Naira-priced, cancel anytime.

Higher tiers get more giveaway entries automatically and unlock additional surfaces — live drops, 1:1 mentor sessions, and a 2× referral multiplier.

TIER	NOTES	PRICE (₦)	GIVEAWAY ENTRIES
Basic	Limited free library + ads	Free	—
Standard	All libraries, no ads	₦2,500 / mo	1x
Premium RECOMMENDED	Everything + live Q&A, priority playbooks	₦5,000 / mo	5x
VIP	Monthly mentor call · live drops	₦12,000 / mo	10x
Elite	1:1 mentor session · 2× referral payout	₦15,000 / mo	15x

REFER & EARN

A network-effect engine that pays in Naira.

₦100 **₦50**

1ST REFERRAL

Paid on their first successful subscription.

EVERY RENEWAL AFTER

For 12 months, on every renewal.

Unique referral code per user. Linked for 12 months. Paid automatically on the 1st of every month — no chasing, no thresholds.

SAMPLE · 50 REFERRALS, 6 MONTHS EACH

50 first-subscribers × ₦100 = ₦5,000

50 × 5 renewals × ₦50 = ₦12,500

Total · ₦17,500 / 6 mo · per active referrer

TRUST BY DESIGN

Every purchase is also a chance.

A funded, broadcast-on-camera monthly draw. Every transaction earns entries automatically. Premium gets 5x, Elite gets 15x. Payouts are public; receipts are logged on the winners page.

#12.4M

PAID OUT TO WINNERS

Combined cash & physical prize value since launch.

36

VERIFIED WINNERS

Drawn live on stream. Every result is published on the public winners page.

48 hr

CASH PAYOUT WINDOW

NIBSS transfer to verified bank. Physical prizes ship via GIG or DHL.

BACK-OFFICE

An admin console built for the operations team.

Dashboard KPIs, content library management, users table, plans configuration.
Designed at 1440 px desktop. Not customer-facing.
